

# Superfins Point Peron Camp Nov 2021

39 Superfins swimmers and 8 parent helpers had a wonderful weekend camp at Fairbridge campsite at Point Peron on the weekend of November 5<sup>th</sup> to 7<sup>th</sup> 2021.

We had many activities organised and very capably run by Point Peron staff over the weekend which included the following and culminated in the Point Peron Challenge on the Sunday morning. This involved a walk around the area searching for clues and looking at the beautiful scenery while doing some fun challenges:

- Kayaking
- Team Building
- Crate Climb
- Raft Building
- Snorkelling

A couple of the parents also organised a fun music quiz night on the Friday night and a movie night on Saturday which was very welcome after a busy day Saturday doing activities.

Special thanks to members of the Rotary Club of Nedlands who kindly funded the activities for the weekend and to Lotterywest for support towards camp costs associated with food and accommodation. Thanks also to John XXIII for the loan of their bus which was invaluable for transport to and from camp.
